TOTAL DUE	
DEPOSIT	
3 PAYMENTS	

NOTE Main landing gear for the TRIKE configuration are shorter than the TD version. The shorter main gear, when used in the TD configuration, requires a larger diameter tire for adequate prop clearance. At least 24" or larger tire is required. Taller main gear can be purchased for the TD configuration for use on smaller diameter tires.

All orders are fly-away from Hays (HYS), unless otherwise arranged by customer.
 Changes or alterations to this order may cause delay and/or additional charges.
 All quotes are good for 30 days.
 Prices subject to change without notice.
